

LESSON STUDY

PLANNED TASKS

MAUREEN SCIBERRAS

MARIS CIAPPARA

Tasks given in class

Laptop Ergonomics

Laptop Ergonomics - Basic Tips - Adult or Child Laptop Use at Home, Work or School

Watch later Share

Students watch a short video on laptop ergonomics in preparation for the following tasks.

Spot the Hazards in the Picture

Select the correct interest point by clicking on the correct area.

Attempts 6 Discovered 0

SOLUTION

Students have to look carefully at the picture and spot the various hazards.

Safety Issues

Classify the following as correct or not in terms of Safety Procedures related to ICT

A phrase on safety procedures related to ICT appears and students have to classify it as "correct" or "incorrect" by moving the correct box from beneath.

Homework Tasks

TASK 1

Health issues

healthy	unhealthy		
stay on computer for 2 hours straight	work on my tablet on a carpet	chair not adjustable	window in front of monitor
bent back	keep laptop on your lap	eye level with top of screen	feet flat on floor
wrist support	footrest if needed	elbows in a right angle	frequent breaks

Students choose a piece of the puzzle, read the description and decide if it is "healthy" or "unhealthy". If the answer is correct, the piece disappears and part of the background image appears. When all the pieces are categorised the background image appears.

TASK 2

Health issues and problems in ICT

2018-12-12

It is important to take regular ones of these when using the computer

A	B	C	D	E	F	G	H	I	J	K	L	M	N	O	P
Q	R	S	T	U	V	W	X	Y	Z						

Students play hangman where they have to answer by responding the description that appears.
